

Only you

作詞 : Buck Ram
作曲 : Buck Ram
うた : The Platters

Only you can do make all this world seem right

Only you can do make the darkness bright

Only you and you alone can thrill me like you do

And fill my heart with love for only you

Only you can do make all this change in me

For it's true, you are my destiny

When you hold my hand I understand the magic that you do

You're my dream come true, my one and only you

Only you can do make this change in me

For it's true, you are my destiny

When you hold my hand I understand the magic that you do

You're my dream come true, my one and only you

Only you can do make this change in me

For it's true, you are my destiny

When you hold my hand I understand the magic that you do

You're my dream come true, my one and only you
